Useful Facts about Dining Cheques:

- Accepting Dining Cheques is part of the OpenTable contract.
- Cheques come in denominations of \$20, \$50, and \$100 in the US, and \$26, \$65 and \$130 in Canada.
- Deposit your Dining Cheques at any domestic bank, just like Traveler's Cheques.
- Please note the expiration date! If a Dining Cheque is expired, it is void. Certain types of Dining Cheques do not contain an expiration date. In this case, the Cheque is always valid.
